Dear Friends of Rainbow House,

A big thanks to you who helped to make the Fourth Annual Stan Utley "Go for the Gold Skins Game" fun as well as successful. We anticipate that after all expenses are paid and all monies collected, we will have raised over \$20,000 for the kids of Rainbow House.

This year's event featured Stan, Dillard Pruitt (back for his 3rd year), Trevor Dodds, and Jerry Haas who proved to be a real crowd favorite. We were pleased with the turnout. The crowd enjoyed the event, and most of them stayed for the entire game which enabled them to see the hole sponsorship and corporate signs displayed around the course. Media coverage of this year's event was especially good.

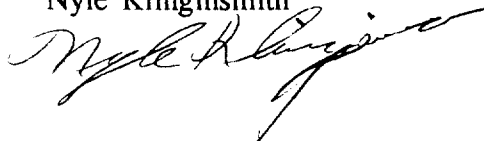

This event is our biggest fund-raising endeavor, and as such it goes a long way to helping us stay in operation. Without people such as you, this could not happen. We cannot express how much your support of Stan Utley's "Go for the Gold Skins Game" means to the children, the board of directors, and the staff of Rainbow House. Stan has indicated he is already looking forward to next year's event. So are we. The event is unique to this area, and is a real treat to golf fans and the general public alike. We will let you know as we develop plans for the 5th Annual Skins Game.

Once again, thanks for your generous support.

Hello from the staff and children at **Rainbow House!**

We wanted to take a minute to thank you for your donation to **Stan Utley's Go For The Gold Skins Game**. As a show of our appreciation for your support we have enclosed a photograph of the four professional golfers who participated to help out Rainbow House (from left to right: Jerry Haas, Brandel Chamblee, Stan Utley, and Robert Gamez)!

Your contribution to the Skins Game helps us carry out our number one objective of putting ourselves out of business. Unfortunately, Rainbow House is still a necessity in the community. Approximately 140 children have been admitted each year since Rainbow House opened in 1986 and the percentage has grown every year. Hot line reports for physical, emotional, and sexual abuse as well as neglect and abandonment of children in Boone County alone have doubled in the last ten years. Rainbow House has helped over 200 children from Missouri in 1994 and since 1986 has helped over 1,000 children in crisis situations.

Thank you again for all that you do. If you have any questions or if you would like more information about Rainbow House, feel free to give me a call at 474-3558.

In Service,

P. Grady Davolt

Dear Rick:

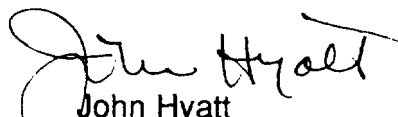

Missouri State Basketball 1994 Final Four is over. It was wonderful and memories abound. Parents, communities, players and coaches expressed their appreciation to us over and over for a job well done.

It is a particular thrill for the players to come to MU and play at Hearn Arena and see their name and picture in print or live action on TV news, and hear their names on the radio.

Thanks to you for your efforts on behalf of Columbia, the sport of basketball, the teams, and our own Chamber and Visitors Bureau. It all ties together to make Columbia a great place.

See you next year.

In Columbia, with your help and the gifts of your friends and associates, we raised over \$3,500 for the Cystic Fibrosis Foundation. Across the state that weekend, we were able to raise over \$80,000 for Cystic Fibrosis research and direct services to CF patients. We are grateful to you for your help -- making a better and longer life possible for all the children with this deadly disease.

Dear SEARCH Sponsor:

I would like to express my appreciation to you for being so generous in sharing your time with a Jefferson Junior High School student during our Project SEARCH. This is the nineteenth year that we have offered this program to our ninth grade students at Jefferson Junior High. It continues to be a very successful and rewarding experience for our students because of people like you who are willing to take time to share your job experiences with a ninth grade student. Without your cooperation there would be no Project SEARCH.

We feel that the experience of being "on the job" is one of the most effective methods for our students to learn about a particular job and about the world of work. The excitement and information which our students brought back with them to share with their classmates indicated to us that SEARCH was a very worthwhile activity.

Thank you again for your involvement. I can assure you that your time and efforts were well spent

Dear Richard:

I can't thank you enough for being a willing pioneer in the first Mizzou Cans Festival. The Festival and Black & Gold game raised over 12,000 pounds of food and over \$2,300. When you consider the Central Missouri Food Bank can distribute \$22 worth of food for every dollar donated, CMFB will distribute approximately \$50,600 worth of food.

Joe Castiglione and Coach Larry Smith were both thrilled with all of the entries. They want "next year" to be even bigger and better. I hope you will consider signing up for another contest!

You and KFMZ have been such tremendous partners in our efforts to feed those in need in central Missouri. I don't think I will ever be able to repay you for all of your kindness and support. You folks are terrific!

Warm regards,
